A check-in that never counts what you missed.

Tuck Check-in is a mood and habit tracker with no streaks and no account. Slow progress is still progress.

1 · **sip first.**

2 · **one small thing.**

3 · **a shell day is allowed.**

Your check-ins stay on your device. We only keep your email to tell you when it opens.

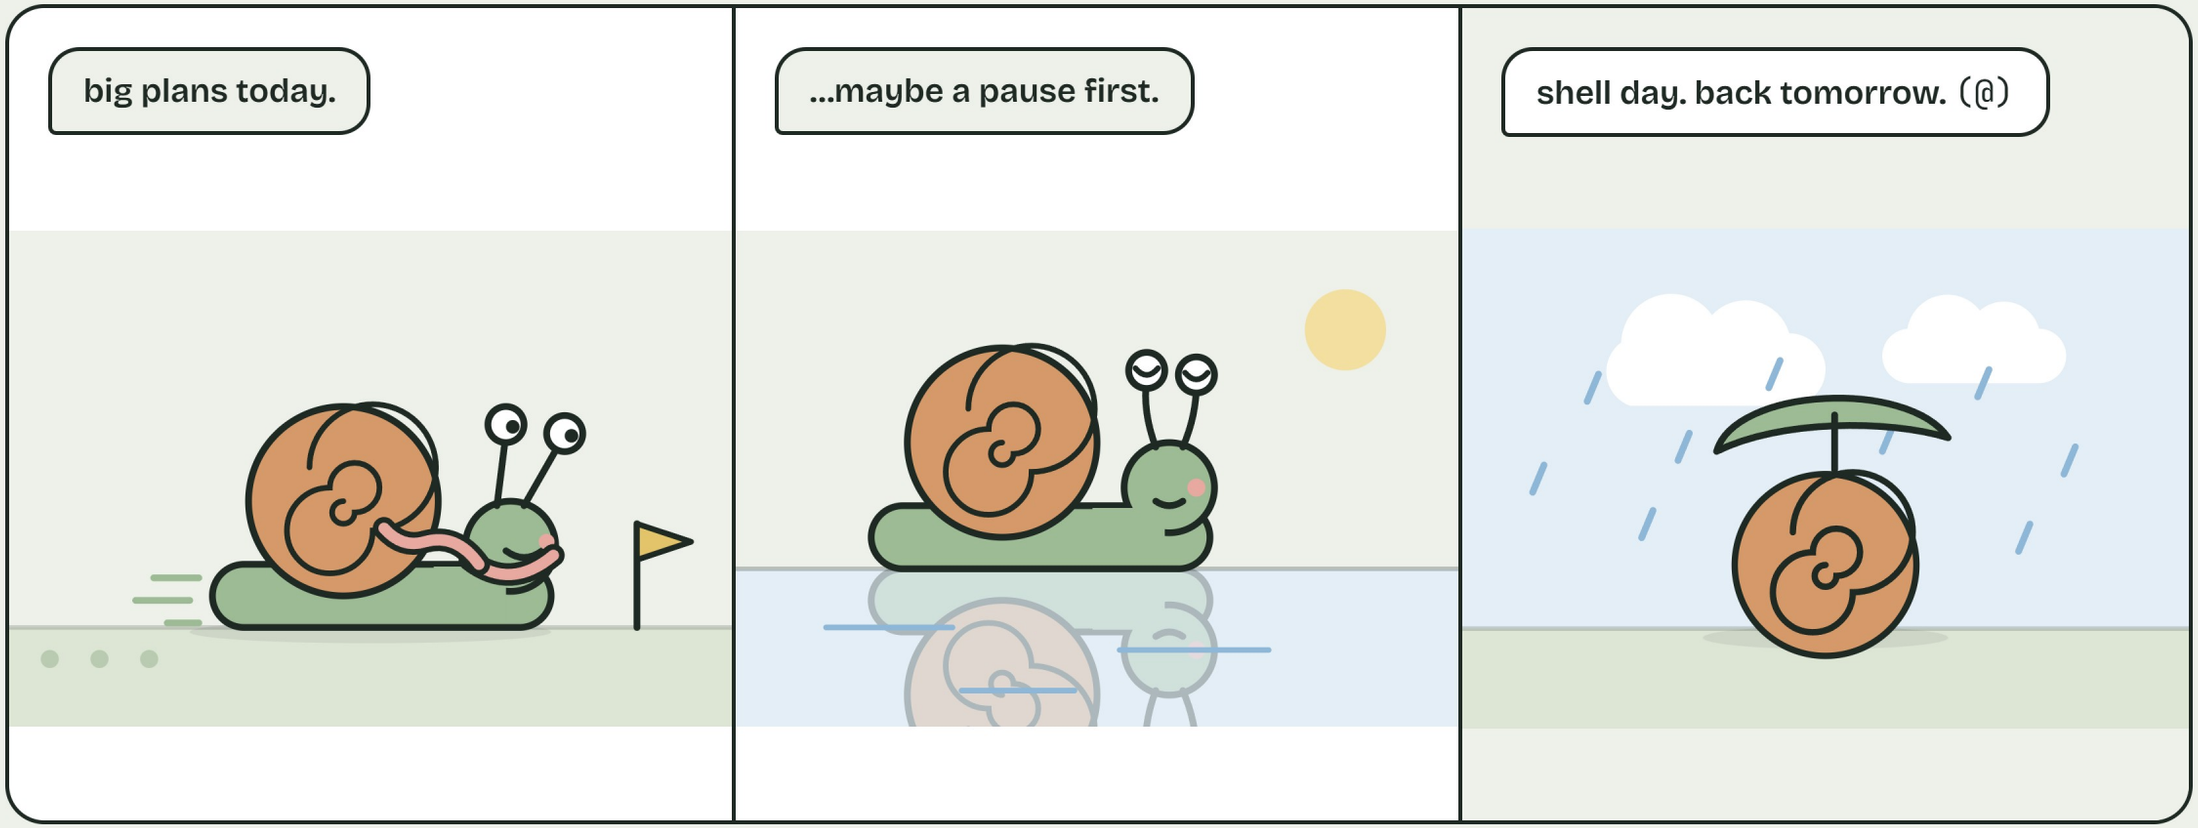

TUCK CHECK-IN

Rest counts too.

Log how you feel and what you did, at snail pace. No streaks to break, no account, nothing leaves your device.

Try Tuck Check-in

or play a two-minute Tuck game

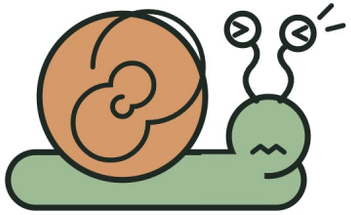

Feel it. Tuck in. Come back out.

Tuck Check-in asks one small question a day and shows you how your weeks really go. No streaks, no account, all on your device.

How your data stays on your device

```
$ tuckshell log mood okay
@_oo logged. slow is still progress.
```

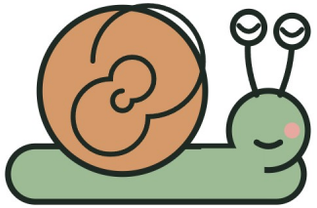

@_ ;;

too much today.

(@)

so, tuck in for a bit.

@_oo

okay. a little better.
